DIAL EXTENSION

A 24-Hour Taped Information Library

(206) 296-3425
Gardening

How to use DialExtension

Touch-tone Phones

DialExtension Touch- tone access is available 24 hours a day.

1. Consult this brochure and select a topic number.
2. Dial (206) 296-DIAL (296-3425).
3. Follow instructions given for Touch- tone callers.

Rotary Dial

Operator Assistance is available Monday thru Friday 8:30 a.m. to 4:30 p.m. (except holidays).

1. Consult this brochure and select a tape number:
2. Dial (206) 296-DIAL (296-3425).
3. Request Tape Number.

Calling Toll-Free

If you live outside the toll-free King County area, use 1-800-325-6165. This number connects you with the County Courthouse operator. Ask the operator to connect you with DialExtension (extension 6-3425).
